

ROCHESTER, NEW YORK.

Rochester Philharmonic Orchestra at the Eastman Theatre

Just the **RIGHT CULTURE FOR THE BIOTECH INDUSTRY.**

ROCHESTER, NEW YORK
named one of the
TOP 20 TECH CITIES
in the country

- *Popular Science*, March 2005

Biotech and life science companies have discovered the ideal culture in which to grow their businesses—Rochester, NY. It's a natural reaction that occurs when a well-educated workforce comes together in a vibrant, innovative and diverse community. In fact, we have more than 70 biotech companies, with a concentration in vision science and medical imaging—including Johnson & Johnson's Ortho Clinical Diagnostics, Bausch & Lomb, and Kodak's Health Group. Add world-class universities and research centers, an exceptional quality of life, and you have the perfect environment in which your business can grow.

Discover the ideal culture to help grow your business.
